School Description and Mission Statement

Mission Statement

The mission of the Family Tree Learning Center is the following:

- We provide a safe and secure environment that promotes respect for self and others.
- Parent and child input is paramount to create successful relationships between students, teachers, parents and staff.
- We nourish and celebrate individuality and uniqueness.
- Decisions are based upon the best interests of students.
- We provide support to differentiate instruction and curriculum to ensure student mastery of the standards while meeting individual student needs.

School Profile

Family Tree Learning Center is a K-8 Home School/ Independent Study School that serves as one of the alternative educational options for the Hemet Unified School District. It was opened to support families who have made the decision to educate their children in nontraditional settings. Students have access to the approved district core curriculum and follow the same school calendar. Some families incorporate additional materials to meet the educational goal that they may have determined to be important.

Family Tree Learning Center is located at 258 N. Thompson Street, Hemet, CA 92543.

Using an Independent Study format, parents and students work with an assigned credentialed teacher weekly or bi-weekly, who prepares the curriculum, organizes the materials, and offers the support needed for the students to be successful. Family Tree Learning Center works with a wide variety of students ranging from gifted and talented to struggling learners.

Communication is the key to success for our students. Our parents and teachers continually collaborate and fine tune each student's educational journey. We have students enrolled here for a variety of reasons. Some families attend for short time periods while students recover from injuries or illnesses. Some of our families enroll so they can travel and stay current with a traditional curricular program so that their transition back into a Hemet Unified School is smooth. Other families are in it for the long haul and really enjoy being an intimate part of their child's education. Independent Study affords families the gift of time and flexibility that doesn't exist in a traditional setting.

Opportunities for Parental Involvement

Parent involvement opportunities are available to all parents at our school. These offerings are available in both English and Spanish. These opportunities include, Parent Project®, P.R.I.C.E. Parenting®, Parent Institute for Quality Education®, District English Learner Advisory Committee, District Advisory Committee, and a district-wide PTA/ELAC community event, named, "Hemet Posada."

Parents of the students at Family Tree Learning Center are all involved in their children's instructional programs. Teachers and parents meet regularly to discuss student progress and development. Parents are also invited to get involved with district level decision making groups such as Curriculum Council, School Site Council and the Parents' Advisory Group. We also have parents who volunteer to serve as resources to each other. For more information on how you can get involved please contact Sharleen Rainville, Principal, at (951) 925-2324. ext. 200.

District Profile

Hemet Unified School District covers one of the largest geographic areas of any district in California. It covers over 700 square miles of very diverse topography; from valley flatlands, to foothills, to mountains. It serves a growing community with a current enrollment of over 22,000 students. Preschool centers at seven school locations, eleven elementary schools (K-5), three elementary/middle schools (K-8), four middle schools (6-8), four comprehensive high schools (9-12), one continuation high school (11-12), a vocational education focused charter school, a science-based charter Middle School, an Adult Education Center, Independent Study Programs, a Home School Program, and a self-paced on-line instruction program offer a wide variety of learning opportunities for students of all ages.

Educational programs are designed to be flexible enough to provide a positive educational environment for all students, yet structured enough to ensure attainment of the California Content Standards and passing the California High School Exit Exam. With the support of the community, school staffs have developed highly successful programs in music, agriculture, and athletics.

Hemet Unified School District's Core Values

1. It is the District's responsibility to provide a structure and framework in which students and staff can succeed.
2. All students can develop their intellect and improve their academic achievement level in each subject each year.
3. It is the District's responsibility to recruit, train and retain the very best staff to work in the Hemet Unified School District.
4. Good first teaching is the most powerful tool for improving student achievement.
5. It is the District's responsibility to provide alternative education opportunities that create pathways to success for students who do not do well in a traditional setting.
6. The maintenance and development of students' nutritional and physical well being supports and enhances intellectual development and academic achievement.
7. Participation in activities such as academic competitions, music, drama, sports, clubs and other "non-academic" endeavors develops the human spirit and provides balance between the intellectual, physical and emotional/social development of our students.
8. The quality of interaction with our community, the quality of our published works and the state of our facilities all reflect what we think of ourselves as a district.
9. It is the District's responsibility to respond positively to the changing needs of our community and students.
10. It is the District's responsibility to ensure that the allocation of fiscal resources supports the Core Values of the District.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

SB187 Safety Plan
 Date the plan was last updated: April 2009
 Date the plan was last reviewed by the staff: April 2009

The Comprehensive Safe School Plan includes data regarding school crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5. A copy of the plan is available for inspection by the public at each school.

Suspensions and Expulsions						
Rate	School			District		
	2008-09	2009-10	2010-11	2008-09	2009-10	2010-11
Suspensions	0.54	1.43	2.92	18.27	18.77	16.06
Expulsions	0	0	0	0.35	0.52	0.37

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

School Climate

School Safety Plan

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

School Facilities

School Facility Conditions and Planned Improvements

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: 11/28/11

This year Family Tree Learning Center remained at the same vacated elementary school campus. The classrooms are spacious and conducive to individual appointments as well as large group meetings, activities, or seminars. We share the campus with Helen Hunt Jackson Alternative School, as well as several other district programs. The students have access to clean restrooms nearby their classrooms, as well as drinking fountains in each classroom. The campus is gated and secure.

School Facility Good Repair Status

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Exemplary	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	[]	[X]	[]	[]	

System Inspected	Repair Status				Repair Needed and Action Taken or Planned

Teachers

Teacher Credentials			
School	2008-09	2009-10	2010-11
With Full Credential	10	7	6
Without Full Credential	0	0	0
Outside Subject Area of Competence	0	0	0
District	2008-09	2009-10	2010-11
With Full Credential	---	---	951
Without Full Credential	---	---	7

Teacher Misassignments			
Indicator	2008-09	2009-10	2010-11
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

** "Vacant Teacher Positions" refer to positions not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester.

Instructional Planning and Scheduling

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, was student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance data reporting, etc.)?

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs. During the last three years (2008-2011), 206 days of professional training has been provided through the Hemet Unified School District/Professional Development Academy. The training provided at the Academy allows teachers, administrators and paraprofessionals become highly skilled at providing quality leadership, instruction and support to the district's students. The focus of professional development is on the delivery of a standards-based instructional program. Achievement data is used to determine site support and priorities for professional development opportunities. Priorities are identified in the current LEA Plan under Specific Trainings in Language Arts and Mathematics, English Now, BTSA Induction Support for year one and two teachers and specific Special Education trainings. Additional coaching assistance is provided for veteran teachers who need individualized structure and support. Seven Strategy Focused Instructional Coaches provide ongoing support in trainings and in day to day professional development needs in the areas of language arts, mathematics, English Language Development and Technology. The District Technology Plan revised in 2011 also identifies areas for staff to increase and refine skills in technology application and instruction. Administrators are provided specific professional development to implement and support new and on-going instructional programs. Professional development is delivered through trainings on-site, at the District Professional Development Academy, conferences, Professional Learning Community site cohorts and through trainer of trainer's models.

As new programs and instructional strategies are implemented instructional coaches assigned to specific sites offer support and additional training. Site administrators receive continuing support at district leadership meetings from instructional coaches, district support staff and consultants. Family Tree teachers meet regularly to address the needs of Independent Study teachers and students.

Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor’s degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: <http://www.cde.ca.gov/nclb/sr/tq/>

Location of Classes	Percent of Classes In Core Academic Subjects Taught by	
	NCLB Compliant Teachers	Non-NCLB Compliant Teachers
This School	100	0
District		
All Schools	90.29	9.71
High-Poverty Schools	90.36	9.64
Low-Poverty Schools	81.25	18.75

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

Data and Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California’s public kindergarten through grade twelve school districts and schools.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Support Staff

Academic Counselors and Other Support Staff		
Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	
Counselor (Social/Behavioral or	0	---
Library Media Teacher (Librarian)	0	---
Library Media Services Staff	0.875	---
Psychologist	Available as	---
Social Worker	0	---
Nurse	Available as	---
Speech/Language/Hearing	Available as	---
Resource Specialist (non-	0.5	---
Other	0	---

* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instructional materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: October, 2011

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 10/4/2011 that each pupil in the district, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

School Finances

Expenditures Per Pupil and School Site Teacher Salaries (FY 2009-10)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	\$5,511	\$313	\$5,197	\$67,105
District	---	---	\$4,658	\$67,928
State	---	---	\$5,455	\$69,207
Percent Difference: School Site and District			11.6%	-1.2%
Percent Difference: School Site and State			-4.7%	-3.0%

* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

** **Basic/Unrestricted expenditures** are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Types of Services Funded

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

Other Programs

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

- MAA -- \$2,500
- Site Lottery -- \$2,235
- ELL - \$39
- EIA -- \$3,280
- EIA/LEP -- \$321

Average Teacher and Administrative Salaries (FY 2009-10)		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher	\$43,681	\$42,017
Mid-Range Teacher	\$65,742	\$67,294
Highest Teacher	\$86,905	\$86,776
Average Principal (ES)	\$108,467	\$108,534
Average Principal (MS)	\$115,551	\$112,893
Average Principal (HS)	\$116,167	\$123,331
Superintendent	\$253,149	\$226,417
Percent of District Budget (FY 2009-10)		
Teacher Salaries	40%	38%
Administrative Salaries	6%	5%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at <http://www.cde.ca.gov/ds/fd/cs/>.

Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs), which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

STAR Results for All Students - Three-Year Comparison			
Subject	2008-09	2009-10	2010-11
STAR Results for All Students --School			
English-Language Arts	47	52	46
Mathematics	25	34	27
Science	33	33	40
History-Social Science	21	27	36
STAR Results for All Students --District			
English-Language Arts	46	48	48
Mathematics	38	41	42
Science	42	47	49
History-Social Science	34	36	39
STAR Results for All Students --State			
English-Language Arts	49	52	54
Mathematics	46	48	50
Science	50	54	57
History-Social Science	41	44	48

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

STAR Results by Student Group - Most Recent Year

Group	Percent of Students Scoring at Proficient or Advanced			
	English-Language Arts	Mathematics	Science	History-Social Science
All Students in the LEA	48	42	49	39
All Student at the School	46	27	40	36
Male	41	24	55	35
Female	51	30	30	36
Black or African American	0	0	0	0
American Indian or Alaska Native				
Asian				
Filipino	0	0	0	0
Hispanic or Latino	55	42	47	55
Native Hawaiian/Pacific Islander	0	0	0	0
White	43	23	34	25
Two or More Races	0	0	0	0
Socioeconomically Disadvantaged	31	17	29	30
English Learners	0	0	0	0
Students with Disabilities	0	0	0	0
Students Receiving Migrant Education Services				

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Physical Fitness Test Results

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at <http://www.cde.ca.gov/ta/tg/pf/>.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six	Five of Six	Six of Six
5	9.1	27.3	36.4
7	26.9	15.4	3.8

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2008	2009	2010
Statewide	1	1	2
Similar Schools	1	1	

API Growth by Student Group - 2011 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2011 Growth API at the school, LEA, and state level.

Group	2011 Growth API					
	School		LEA		State	
	# of Students	Growth API	# of Students	Growth API	# of Students	Growth API
All Students at the School	96	715	15,734	755	4,683,676	778
Black or African American	6		1,078	689	317,856	696
American Indian or Alaska Native	0		223	752	33,774	733
Asian	0		223	833	398,869	898
Filipino	1		199	858	123,245	859
Hispanic or Latino	31	790	7,696	729	2,406,749	729
Native Hawaiian/Pacific Islander	1		84	810	26,953	764
White	50	688	5,970	796	1,258,831	845
Two or More Races	7		252	758	76,766	836
Socioeconomically Disadvantaged	39	657	11,794	729	2,731,843	726
English Learners	6		3,119	695	1,521,844	707
Students with Disabilities	8		2,189	612	521,815	595

API Growth by Student Group - Three-Year Comparison

Group	Actual API Change		
	2008-09	2009-10	2010-11
All Students at the School	54	60	-27
Black or African American			
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino			
Native Hawaiian/Pacific Islander			
White	41	48	-47
Two or More Races	N/D		
Socioeconomically Disadvantaged	68		
English Learners			
Students with Disabilities			

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) webpage at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	No	No
Met API Criteria	Yes	Yes
Met Graduation Rate (if applicable)	N/A	No

Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2004-2005
Year in Program Improvement		Year 3
Number of Schools Currently in Program Improvement		18
Percent of Schools Currently in Program Improvement		66.7

CAHSEE Results for All Students - Three-Year Comparison			
Subject	2008-09	2009-10	2010-11
CAHSEE Results for All Students --School			
English-Language Arts			
Mathematics			
CAHSEE Results for All Students --District			
English-Language Arts	52	52	50
Mathematics	47	49	47
CAHSEE Results for All Students --State			
English-Language Arts	52	54	59
Mathematics	53	54	56

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Completion and Postsecondary Preparation

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics to compute AYP designations required by the federal ESEA, also known as NCLB.

For detailed information regarding CAHSEE results, see the CDE CAHSEE Web site at <http://cahsee.cde.ca.gov/>.

CAHSEE Grade Ten Results by Student Group - Most Recent Year						
Group	Not Proficient	Proficient	Advanced	Not Proficient	Proficient	Advanced
All Students in the LEA	50	26	24	53	33	13
All Students at the School						
Male						
Female						
Black or African American						
American Indian or Alaska Native						
Asian						
Filipino						
Hispanic or Latino						
Native Hawaiian/Pacific Islander						
White						
Two or More Races						
Socioeconomically Disadvantaged						
English Learners						
Students with Disabilities						
Receiving Migrant Education Services						

* Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work.

For general admissions requirements, please visit the UC Admissions Information webpage at <http://www.universityofcalifornia.edu/admissions/>. (Outside source)

California State University

Eligibility for admission to the California State University (CSU) is determined by three factors:

- Specific high school courses
- Grades in specified courses and test scores
- Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the CSU webpage at <http://www.calstate.edu/admission/admission.shtml>. (Outside source)

Dropout Rate and Graduation Rate			
Indicator	School		
	2007-08	2008-09	2009-10
Dropout Rate and Graduation Rate --School			
Dropout Rate (1-year)	0	0	0
Graduation Rate			
Dropout Rate and Graduation Rate --District			
Dropout Rate (1-year)	4.6	4.9	3.6
Graduation Rate	80.4	82.99	81.17
Dropout Rate and Graduation Rate --State			
Dropout Rate (1-year)	4.9	5.7	4.6
Graduation Rate	80.21	78.59	80.44

* The National Center for Education Statistics graduation rate as reported in AYP is provided in this table.

Completion of High School Graduation Requirements

This table displays, by student group, the percent of students who began the 2010-11 school year in grade twelve and were a part of the school's most recent graduating class, meeting all state and local graduation requirements for grade twelve completion, including having passed both the ELA and mathematics portions of the CAHSEE or received a local waiver or state exemption.

Group	Graduating Class of 2011		
	School	District	State
All Students			N/D
Black or African American			N/D
American Indian or Alaska Native			N/D
Asian			N/D
Filipino			N/D
Hispanic or Latino			N/D
Native Hawaiian/Pacific Islander			N/D
White			N/D
Socioeconomically Disadvantaged			N/D
English Learners			N/D
Students with Disabilities			N/D

* "N/D" means that no data were available to the CDE or LEA to report.

Career Technical Education Programs

This section provides information about Career Technical Education (CTE) programs including:

- Programs and classes offered that are specifically focused on career preparation and or preparation for work
- How these programs and classes are integrated with academic courses and how they support academic achievement
- How the school addresses the needs of all students in career preparation and/or preparation for work, including needs unique to defined special populations of students
- The measurable outcomes of these programs and classes, and how they are evaluated
- State the primary representative of the district's CTE advisory committee and the industries represented on the committee

Career Technical Education Participation	
Measure	CTE Program Participation
Number of pupils participating in CTE	
% of pupils completing a CTE program and earning a high school diploma	
% of CTE courses sequenced/articulated between the school/institutions of postsecondary education	

Courses for UC/CSU Admission (School Year 2009-10)	
UC/CSU Course Measure	Percent
Students Enrolled in Courses Required for Admission	0
Graduates Who Completed All Courses Required Admission	0

Advanced Placement Courses		
Subject	Number of AP Courses Offered	Percent of Students In AP Courses
Computer Science		---
English		---
Fine and Performing Arts		---
Foreign Language		---
Mathematics		---
Science		---
Social Science		---
All courses		

Advanced Placement Courses

The results profiled in the summary are based on all students who attempted an Advanced Placement (A.P.) Test from district high schools in 2010-2011. The College Board recently released the district data.

The results reflect all tests attempted. Some students attempted more than one test; therefore, the number of attempted tests does not indicate unique students. Advanced Placement tests are important for college bound students in that students may receive "credit" for college classes if they earn a 3, 4, or 5 on an exam. Each college and university determines its own policy. In some cases, students earning a '5' may be given credit for two classes of freshman level college work.

Advanced Placement Test pass rates for all district high schools participating are included. California and National averages are typically released in November. Factors to consider when analyzing AP test results include:

- Specialized training provided for the teacher
- Appropriate instructional materials
- Fidelity to advanced placement course outline
- Instructional minutes
- Extra time provided for student test preparation
- Student enrollment criteria

It is difficult for smaller schools to offer the same number of AP courses as the larger schools. At smaller schools AP courses are often combined with non-AP courses; i.e. United States History and AP United States History. Administration supports AP students in combination classes by providing tutorial assistance. Students at smaller schools can also access AP courses on-line through the University of California.

Advanced Placement Testing Summary								
Advanced Placement Test	Family Tree Learning Center			District			National	State
	# Students Attempting Test*	# Students Passing w/ 3, 4, or 5	% Pass Rate	# Students Attempting Test*	# Students Passing	% Pass Rate	% Pass Rate	% Pass Rate
