

PRESS RELEASE

December 2011

The Hemet Unified School District's Intra-District Transfers Open Enrollment period for 2012- 2013 school year is January 1, 2012 to March 1, 2012. During that period, parents can apply to transfer their children to a different school. The district's procedure allows children to continue their current enrollment at their school through the highest grade level offered without having to annually re-apply for their transfer. Parents can pick up an information letter and application at any district school or at the Centralized Registration Office at 2085 W. Acacia Avenue, Hemet. Applications must be submitted before March 1, 2012. District officials say there will be very little space available and that students who live within a school's attendance area will have priority.
