August 3, 2011

Dear Parents/Guardians:

Welcome to the 2011-2012 school year! As we begin our new school year, we once again have the opportunity to celebrate reaching the Academic Performance Index (API) of 895! This is an increase of 18 points from our previous 877! Congratulations to all of you! I'm so proud of our students, staff, families and community! Although we will have to wait until September for the final announcement, the data I have currently qualifies Cottonwood to be awarded the National Blue Ribbon Award!

We are excited about having your child at Cottonwood School and look forward to continuing to develop our strong, collaborative family partnerships. This upcoming school year also brings a new team member to Cottonwood. Paola Canaday is joining us from the Western Center Academy where she had incredible success. Paola is a resident of the Anza-Aguanga community. She will be teaching our 2/3 grade combination class.

Remember, all of our middle school students must have verification of the TDAP immunization submitted to our health office before starting school.

Sincerely,

Dave Farkas  
Principal
