Important Parent Reminder: Use Edline online daily to monitor student progress and attendance. Passwords available at the Front Desk. To graduate from WVHS, every studen must complete the required courses listed in the Parent-Student Handbook. Every parent and student is responsible for graduation requirements and the students' progress towards them. Students must pass all of the required classes listed above, pass both portions of the CAHSEE, successfully complete Algebra 1 and Geometry, and earn 230 credits prior to graduation in June . Many college preparatory classes require pre-requisites. Please refer to the Course Catalog and A-G college requirements. .
